### Dear Parents,

As we celebrate the festival of Diwali, we want to extend our warmest wishes to you and your families. In light of the holiday season, we have assigned a special projects & activities in combination with academics for your child. This assignment is an attempt to channelize the creative energy of the children, and we encourage you to engage with them in this learning process. We hope you have a joyful and safe Diwali celebration with your loved ones.

### Instructions for students:

1. Homework should be completed as per the given instructions, whether on A4 paper, in a notebook, or on a computer.
2. It should be labelled properly indicating the name, class and section & subject
3. Homework will be assessed based on neat handwriting, presentation, creativity, content and timely submission of the work.
4. Revise the syllabus for the OT3 Examination and prepare thoroughly for it.
5. Spend time with family and friends, create an emotional bond and make this festive season joyful and cheerful.

## HOLIDAY ENGAGEMENT

2023-2024

Grade-III

NAME- \_\_\_\_\_

### ENGLISH

Q1. Let us learn to make a wind vane.

#### You will need:

- A pencil with an eraser on top
- A straw
- A piece of thin cardboard
- A pin
- Plasticine or play dough
- Tape

#### Instructions

1. cut out arrow and tail shapes from the cardboard and fix them on either end of the straw with tape or glue. The arrow end should be slightly bigger than the tail end to ensure it is able to move easily in the direction of the blowing wind.
2. Roll the plasticine into a ball and the pointed end of the pencil into the plasticine.
3. Carefully push the pin through the straw and fix this on to the eraser on top of the pencil.
4. Fix the wind vane outdoors in the garden and watch as it spins.
5. Submit the same on the opening day of school after vacation.

## MATHEMATICS

1. Find the product-----

a.  $30 \times 12 =$  \_\_\_\_\_
